The selectmen of Brookline wish to say in regard to the law suit brought by the Fresh Pond Ice Co. against the town of Brookline for an abatement of a part of

their taxes, that the trial has been held, and all evidence put in on both sides, and the State Tax Commission who are the judges have as yet not rendered their decision, but we have every reason to believe that the town of Brookline will be treated in a fair and honorable manner, which we believe will be satisfactory to the citizens of Brookline.

Through the efforts of the trustees, the generous help of summer visitors, and the hearty support of all the people, a successful benefit entertainment was given on the evening of August 7, netting the sum of seventy dollars.

With this the walls of the library have been decorated, and a pleasant reading room well furnished.

## REPORT OF THE BOARD OF EDUCATION.

Schools have been in session thirty-three weeks during the past year.

The roll of honor shows that more of the pupils have made an effort to have their names among the number enrolled. The teachers have been faithful in their work and progress has been made by pupils who have applied themselves to study. There seems to be a growing interest among parents to keep in touch with the school work.

Estimates for fiscal year ending February 15, 1916:

|                                  |          |
